Well, if you hear somebody knockin' on your door  
If you see something crawlin' across the floor  
Baby, it'll be me, and I'll be lookin' for you

If you see a head a-peepin' from a crawdad hole  
If you see somebody climbin' up a telephone pole  
Baby, it'll be me, and I'll be lookin' for you

Gonna look on the mountain and in the deep blue sea  
Gonna search all the forests and look and look in every  
tree

Well, if you feel somethin' heavy on your fishing hook  
If you see a funny face in your comic book  
Baby, it'll be me, and I'll be lookin' for you

If you hear a thought a-callin' out in the night  
If you see somebody hangin' from a lamppost bright  
Baby, it'll be me, and I'll be lookin' for you

If you see somebody lookin' in all the cars  
If you see a rocketship on its way to Mars  
Baby, it'll be me, and I'll be lookin' for you

Gonna look in the city where the lights are blue  
Gonna search the countryside, all the haystacks, too

If you see a new face on a totem pole  
If you find a lump in your sugar bowl  
Baby, it'll be me, and I'll be lookin' for you.
