It doesn't matter if I'm right or wrong
It really doesn't mean a thing
It doesn't matter if you like my song
As long as you can hear me sing

'Cause I'm the thorn in every little girl's rose
You know I cut but never bleed
A shadow in the night, pure delight
I can satisfy your every need

I'm a real smooth dancer, I'm fantasy man
Master of illusion, magic touch in my hand
All the stages are empty when I steal the scenes
A beggar of love, second hand hero, King of Dreams

Don't make a difference what you got
It doesn't matter what you lose
Don't make a difference if you like it or not
Baby, I'm gonna change your attitude

'Cause all around me there is mystery and wonder
Now can't you see it in my eyes
I'll crack the sky, make you feel the thunder
You'll never see through my disguise, oh, no

I'm a real smooth dancer, I'm fantasy man
Master of illusion with my sleight of hand
All the stages are empty when I steal the scenes
A beggar of love, second hand hero, King of Dreams

All around, all around

Emotional squeeze through again and again
I know how to please you, now your mind is on the bend
Can't you feel the power surrender in my arms?
Beyond the witching hour we're traveling on and on, on
and on

I'm a real smooth dancer, I'm fantasy man
Master of illusion, magic touch in my hand
The stages are empty when I steal the scenes
A beggar of love, second hand hero, King of Dreams

Real smooth dancer, a fantasy man
Master of illusion with sleight of hand
The stages are empty when I steal the scenes
A beggar for love, the King of Dreams, yeah, yeah
