You were good
I was bad
I just want everything you had
Good loving is meant for two
A bit for me and a bit for you
Alright, oh yeah
C'mon and make my bed
Oh, baby, baby, I...c'mon
Kneel and pray
Oh baby this is what I say
You did right, I did wrong
Let me sing my simple song
Oh baby, oh please
Oh tremble on my knees
Yeah, yeah, I need you so
Come in, come in, oh let us play with sin
Alright, yeah
Kneel and pray
Oh baby this is what I say
Oh...
Lady, lady, lady
You better turn around
Look at the ground
Tell me what you found
Aaah, oh yeah
I wanna feel so good inside you
Alright
I can't hear you
I can't see you
I need you
You better turn around
Look at the ground
Tell me what you found
