Get outta my way
I'm gettin' tired of you
There ain't no chance
Doin' what you wanna do
I've been down, down, down, down
Got to get my feet back on the ground

Lady double dealer
Get outta my way
Lady double dealer
You got nothing to say

I ain't satisfied
Dealin' with second hand goods
You wanted somethin' for nothin'
Taking everything you could

You been 'round
I got the news
But you ain't waitin' 'round
For me to lose

Lady double dealer
Get outta my way
Lady double dealer
You got nothing to say

I gave love to you
Did what you wanted me to
But all you did
Was bring me down, ooh baby

So I just had to try
Try to reason why
You took advantage of my love

Two timin' woman
Tryin' to take me for a ride
You're a hard lover, honey
But you sure don't keep me satisfied

I wanna be there

To try to make you see
There ain't no woman
Gonna make a fool outta me

Get outta my way
Get outta my way
Get outta my way
