Don't look too long in my face, it could be a big mistake  
I'm hangin' on a thread so fine, I need a little space  
I shouldn't say  
But I know, know I must  
I've had enough of pain, I'm pissed off standing in the  
rain

It makes me feel like a mad dog  
I've got nothin' to lose  
A mad dog  
You've got nothin' I can use  
A mad dog  
Howlin' at the moon  
A mad dog

I need no friends, I'm on the edge of a broken dream  
Laughin' at the pain, but it makes me want to scream  
And I should have known, she'd be no no good  
She tore my heart in two, but I don't need to talk to you

You make me feel like a mad dog  
I've got nothin' to lose  
A mad dog  
You've got nothin' I can use  
A mad dog  
Howlin' the moon  
Mad dog

She said, "A hard man is good to find"  
And then she raised her doubts  
All that I could give she took, and then she threw me  
out  
Well, I don't care, I don't care anymore  
I'm going to lose my grip, I'm going to let it rip  
Ow, wow, yeaow yeah!

A mad dog  
I've got nothin' to lose  
A mad dog  
You've got nothin' I can use  
A mad dog  
Howling at the moon

A mad dog  
A mad dog  
A mad dog  
A mad dog  
A mad dog  
Mad, mad, mad, mad, ow!
