Really hate the running  
Really hate the game  
Looking at them all  
I wanna be unborn again

Their suit is getting tighter  
Although they're getting thin  
The flies are crawling on their face  
And trying to get in

People say that we're to blame I say  
No no no, it's just the game

Must we let them fool us? No no no  
Have we got our freedom? No no no  
Is it getting better? No no no  
Do we love each other? No no no  
Must we wait forever? No no no, no no no

Heads are getting stronger  
Bodies getting weak  
Looking at them all  
It feels good to be a freak

Their hands are getting closer  
They're reaching out so far  
The greenies gonna get them  
Make them serve stars

Tell them how it is and they say  
No no no, we know it all, we know it all

Must we let them fool us? No no no  
Have we got our freedom? No no no  
Is it getting better? No no no  
Do we love each other? No no no, no  
Must we wait forever? No no no, no no

Washing's getting dirty  
Air is getting thin  
It's all in such a mess  
That no one knows where to begin

They talk about creating  
But all they do is kill  
They say, "We're gonna mend it"  
But they never will

Poison in the rain but they say  
No no no, we ain't to blame, it ain't us

Must we let them fool us? No no no  
Have we got our freedom? No no no  
Is it getting better? No no no  
Do we love each other? No no no  
Must we wait forever? No no no, no
