Found some money in an old black jacket
I'm going out tonight, gonna find me a woman or two
I don't know how long it'll last but I never regret the
past
Oh, when I wake up tomorrow I'll be lookin' around for
you

I got no reason to be down at the station
I got no ticket but I'm gonna take a fucking ride
Don't care where I go, I never seem to know
I never had a penny but I never wondered why
Ohh, I never wondered why

If I'm cold, I need some heat
If I'm hungry then I eat
I'm not responsible

I woke up this mornin' and I couldn't find my shoes
Drunk long party and I haven't seen the sun for days
I'd take you out tonight but I'm just a little light
So let's go out anyway, you'll be amazed

I take my woman to the palace dancing
I never could've made it but the doorman is a friend of
mine
So I raise a glass to you, that foot is on the other shoe
You can pay the bill and while you're at it pick up mine
Oh, no no, I don't mind

If it rains I stay inside
If I'm scared I run and hide
I'm not responsible, ohh oh

If I'm cold, I need some heat
If I'm hungry then I eat
I'm not responsible

I'm not responsible
Ohh, not cold, no, no, no
I'm not responsible, no, no
I'm not responsible
I'm not, I'm not responsible

Yea, not not not not not not not not not not
Not not not responsible, no
Not responsible, ouh, ohh
