We all came out to Montreux  
On the Lake Geneva shoreline  
To make records with a mobile  
We didn't have much time

Frank Zappa and the Mothers  
Were at the best place around  
But some stupid with a flare gun  
Burned the place to the ground, now

Smoke on the water  
A fire in the sky  
Smoke on the water

But burning down

You know, they burned down the gambling house  
It died with an awful sound  
Funky Claude was running in and out  
He was pulling kids out the ground

When it all was over  
We had to find another place  
Swiss time was running out  
It seemed that we would lose the race, now  
Smoke on the water  
A fire in the sky, burning, burning  
Smoke on the water

Down to the ground  
Hear you play

You know now, we ended up at the Grand Hotel  
It was empty cold and bare  
With the Rolling truck Stones thing just outside  
Making our music there

Few red lights and a few old beds  
We made a place to sweat  
No matter what we get out of this  
I know, I know we'll never forget, now

Smoke on the water  
A fire in the sky  
Smoke on the water

Everywhere, everywhere

See me burn, alright now  
It was tumblin' down  
Burn, burn, burn, yeah  
It's burning down, oh baby  
It's burning down

It's burning down  
Burning down
