Door, don't close the door
I want to feel the cold
I want to see the light

Momma, where you gone
This is no dream
Can't make it right, if it's wrong

You're dancing with strangers
You're fighting with friends

It's a matter of time
Between love and despair
Falling over the line

Empty hearts and icy stares
Oh, call me Solitaire

The eyes in the face on the wall
Follow me round the room
Follow me everywhere

A heart without an echo
A man without a child
Alone with all my sorrow

You're dancing with strangers
You're fighting with friends

It's a matter of time
Between love and despair
Falling over the line

Empty hearts and icy stares
Oh, call me Solitaire

It's a matter of time
Between love and despair
Falling over the line

Empty hearts and icy stares
Oh, call me Solitaire, Solitaire, Solitaire

Oh, oh, Solitaire
