There once was a woman a strange kind of woman
The kind that gets written down in history
Her name was Nancy, her face was nothing fancy
She left a trail of happiness and misery

I loved her everybody loved her
She loved everyone and gave them good return
I tried to take her, I even tried to break her
She said I ain't for taking won't you ever learn

I want you, I need you, I gotta be near you
I spent my money as I took my turn
I want you, I need you, I gotta be near you
Ooh, I got a strange kind of woman

She looked like a raver but I could never please her
On Wednesday mornings boy you can't go far
I couldn't get her but things got better she said
"Saturday nights from now on baby you're my star"

I want you, I need you, I gotta be near you
I spent my money as I took my turn
I want you, I need you, I gotta be near you
Ooh, I got a strange kind of woman

I'm so in love with you

I want you, I need you, I gotta be near you
I spent my money as I took my turn
I want you, I need you, I gotta be near you
Ooh, I got a strange kind of woman

Well oh, she finally said she loved me I wed her in a
hurry
No more callers and I glowed with pride
I'm dreaming I feel like screaming
I won my woman just before she died

I want you, I need you, I gotta be near you
I spent my money as I took my turn
I want you, I need you, I gotta be near you
Ooh, I got a strange kind of woman

I want you, I need you, I gotta be near you
I spent my money as I took my turn
I want you, I need you, I gotta be near you
Ooh, I got a strange kind of woman
