There once was a woman
A strange kind of woman
The kind that gets written down in history

Her name was Nancy
Her face was nothing fancy
She left a trail of happiness and misery

I loved her
Everybody loved her
She loved everyone and gave them good return

I tried to take her
I even tried to break her
She said, "I ain't for takin' won't you ever learn"

I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman

She looked like a raver
But I could never please her
On Wednesday mornings boy, you can't go far

I couldn't get her
But things got better, she said
"Saturday nights from now on baby, you're my star"

I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman

She's my soul, I love you

I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman

She finally said she loved me

I wed her in a hurry
No more callers and I glowed with pride

I'm dreaming
I feel like screaming
I won my woman just before she died

I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman

Who do you think you are?
Superstar
Who do you think you are?
Superstar
Superstar
Who do we think we are?
Oh my soul, I love you baby
