Fly into the rising sun
Faces, smiling every one
Yeah, she is a whole new tradition
I feel it in my heart

My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me

Talk about her like a queen
Dancing in a eastern dream
Makes me feel like a river

My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me

But I'm at home
And I just don't belong

So far away from the garden we love
She is what moves in the soul of a dove

Soon I will see just how black was my night
When we're alone in her city of light

Talk about her like a queen
Dancing in a eastern dream
She makes me feel like a river

My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me

My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me
