She came home last night rotten rolling drunk
She talk no sense but she sound good so she think
So I reached over and said hello
Is there some planet you'd care to go
And she said, "Venus on the rocks"

Said she
She got a mean streak
Black mamba don't compete
She got a mean streak
Temptation bitter sweet

She drives me crazy gets inside my brain
She spend my money down a drain
So I roll over for my reward
How much can I afford
And she says, "Just a little more"

You know
She got a mean streak
Black mamba don't compete
She got a mean streak
Temptation bitter sweet

She got a mean streak
Black mamba don't compete
She got a mean streak
Temptation bitter sweet

I can't take this no more
I tried so hard but I cant get through the door
Because one smile from those eyes
And I stand there paralyzed
And she says, "You better beg for more"
You get down sucka you know what I like

Black mamba don't compete
She got a mean streak
Temptation bitter sweet
She got a mean streak

Black mamba don't compete

She got a mean streak
Temptation bitter sweet
Mean streak

Mean streak
She got a mean streak
She got a mean streak
Mean streak
Mean streak
Mean streak
Mean streak
