I heard the sound of voices in the night
Spellbound, there was someone calling
I looked around, no one was in sight
Pulled down and I kept on falling

I've seen this place before and you were standing by
my side
I've seen your face before tonight
Maybe I just see what I want it to be
I know it's a mystery

Do you remember me on a street of dreams?
Running through my memory on the street of dreams

There you stood, a distant memory
So good, like we never parted
Said to myself, I knew you'd set me free
And here we are right back where we started

Something's come over me and I don't know what to
feel
Maybe this fantasy is real
Now I'm gonna see what I want it to be
But it's still a mystery

Do you remember me on the street of dreams?
Running through my memory on the street of dreams
You're on every face I see on the street of dreams

Something's come over me and I don't know what to
feel
Maybe this fantasy is real
Now I'm gonna see what I want it to be
But it's still a mystery

Do you remember me on the street of dreams?
Running through my memory on the street of dreams
On the streets of dreams

I know you will always be on the street of dreams
Will we ever meet again, my friend, on the street of
dreams?

Do you know just what it means to be on the street of
dreams?
Never know just who you'll see, do ya? On the street of
dreams
You can be who you wanna be, oh Lord, on the street of
dreams
I can hear you calling me on the street of dreams
