(lyrics: Kay Hartung; music: Sascha Klamp & Kay Hartung)

He's the one the world is waiting for.  
He's the one the world is hopeful of.  
They praise him to their king.  
When he speaks everyone is silent.  
What he says brings only amazement.  
Nobody's fearful when he's near.  
Nobody's fearful when he's near.  
He split the world into pieces.  
He put the world together.  
He spreads fear among the powerful.

He's too strong, much too powerful.  
They try, they try to stop him.  
Shabby betrayal succeeds.  
Shabby betrayal succeeds.  
Shabby betrayal succeeds.  
All you can hear after the dump blows,  
All you can hear is deep silence.  
All you can hear after the dump blows,  
All you can hear is deep silence.  
All you can hear after the dump blows,  
Is deep silence.
