(lyrics & music: Kay Hartung)

The white man came across the sea.

Exterminate peace and spirit.

They stole their dreams with guns and hate.

And then they prayed to the Lord and they said.

Fight! Fight! Fight!

They chased away the heritage of land.

They broke contracts to satisfy their greed.

They populated all kinds of holy places.

They crammed last hopes in deadly camps.

Fight! Fight! Fight!

Stand up and shout the pain you feel.

Fulfil your dreams they have destroyed.

Cry out your rights and start to fight.

Fight! Fight! Fight!

Fight! Fight! Fight!
