(lyrics: Kay Hartung; music: Tim Nemnich)

You look at me
Excepting the day
Which will be my day
My remorse comes too late
I've chosen my own way
Soon my last day will come
But it's the hardest one
You stand behind me
Kickin' my ass
And your curse is with me
I've never asked for anything

I just took everything
I always did what I wanted
I didn't care for others
I never thought about other creatures
I was master I was god
Destroying is so easy
Destroying is so hard
You say this is my way
But it's your way too
Because I did before
What you do now
