(lyrics: Kay Hartung; music: Sascha Klamp)

I see the man in your heart  
He is the chosen one of your love  
I'm falling down, down and down  
exploding pain kills my brain  
Why don't you hear the cry of love?  
Why don't you feel my pain?  
I am a broken man I'll die.  
Send me flowers to my grave.  
All I need is your gentle touch.  
All I need is you.  
Caress my heart and I'm flying high  
Into the lap of God.

I kiss the hole, the hole in my soul.  
I'm watching out. I close my eyes.  
I feed my brain with endless pain.  
I'm feeling well in my painful bed.  
Why don't you hear the cry of love?  
Why don't you feel my pain?  
I am a broken man I'll die  
Send me flowers to my grave.  
All I need is your gentle touch.  
All I need is you.  
Caress my heart and I'm flying high  
Into the lap of God
