Baby what's wrong with you,
Are you scared away gone runnin to him?
And what's he gonna do,
You should say that you no longer want him.
You need to let him know,
That he had his chance and you already got a man.
Girl he messed up with you,
You know that I'm the truth,
Here's what we need to do.

Baby it's been a while since we connected,
One night alone with me, and you'll forget him.

(CHORUS)

I don't wanna hear what I think you're gonna say,
And I know it can't be good from the look that's on your
face.
And I can't believe that it's too late,
Don't tell me it's over...
I can feel that it's been hurtin you,
I can see it in your eyes.
It's the first time that I'm feelin like I'm about to die,
Just say anything but goodbye.
Don't tell me it's over.(Don't tell me it's over)

Are you sure you wanna do this?
If I walk away it'll be forever.
I can't go through this,
I'd rather work it out try to stay together.
And girl he don't love you,
I would give up the world so you'd be my girl.

I know he missed love with you,
You know that I'm the truth,
I wanna be with you...

(CHORUS)

I don't wanna hear what I think you're gonna say,
And I know it can't be good from the look that's on your
face.

And I can't believe that it's too late,
Don't tell me it's over...
I can feel that it's been hurtin you,
I can see it in your eyes.
It's the first time that I'm feelin like I'm about to die,
(I'm Bout to die)
Just say anything but goodbye.
Don't tell me it's over.(Don't tell me it's over)

It's hard to hear you tell me no,
Girl I don't want to let you go.
Why should I give you up and be here alone?
Baby this aint makin sense,
When I tried to give my best.
And you're telling me that it's over,
When the truth is baby I love you...

(CHORUS 2X)

I don't wanna hear what I think you're gonna say,
And I know it can't be good from the look that's on your
face.
And I can't believe that it's too late, (that it's too late)
Don't tell me it's over... (that it's over)
I can feel that it's been hurtin you,
I can see it in your eyes.
It's the first time that I'm feelin like I'm about to die,
(I'm Bout to die)
Just say anything but goodbye.(Girl, Just say anything
but goodbye)
Don't tell me it's over.(Don't tell me it's over)

I don't wanna hear what I think you're gonna say, (I
don't wanna hear it baby, no no)
And I know it can't be good from the look that's on your
face.
And I can't believe that it's too late,
Don't tell me it's over...
I can feel that it's been hurtin you,
I can see it in your eyes.
It's the first time that I'm feelin like I'm about to die,
(I'm Bout to die)
Just say anything but goodbye.
Don't tell me it's over.(Don't tell me it's over)
