I was chillin' in the whip when I peeped her
She about ever 760 beemer
I said stop it come here listen
Lets dicuss how I'm gonna make you mah chick

Ayy yo that's cool
I met a girl too, she was 5'9 with them sexy brown eyes
I was mezmorised by the way that we clicked
I seriously gotta make this girl mah chick

That's strange how you say she was 5'9, brown eyes
The other girl I met at big guys
Long hair, nice lips, bottom lip a-piercin, butterfly tattoo
Chillin on the velvet

That's funny 'coz I know a girl just like that (uh)
Did you say she had a butterfky tat? (uh)
Was this piercin on her bottom right lip
'Coz if so you better back of my chick

That girl is mah chick, don't mess with her
She belongs to me, so let her be
I know what she wants and what she needs
I got what she need so don't you try

That girl is mah chick, don't mess with her
She belongs to me, so let her be
I know what she wants and what she needs
I got what she need so don't you try

So I'm be less guy now and tell you there's the ones
That girls is my girl, don't be gettin' caught up
You gon' be feelin stupid when she tells you
This nicked(?) is what she's pursuin' and she don't want
you

You better watch your mouth, how ya talk to me
Imma tell her she's mine, she will tell you to leave
Tryin' get this girl is bad for your health
When she chillin' at my crib, you'll be chillin' by yourself

Look this is goin' no where, why we arguin'?

Why don't we approach her see who she's goin with?
'Coz this stuff gonna drive me crazy, you my best
friend
And if we fight over her no ones gonna win

Ayy man that is the best idea you just came up with
I'm really not feelin' this situation that were in
Lets go to this chick and ask her who she is feelin
So we will not have to deal with this shit ever again

That girl is mah chick, don't mess with her
She belongs to me, so let her be
I know what she wants and what she needs
I got what she need so don't you try

That girl is mah chick, don't mess with her
She belongs to me, so let her be
I know what she wants and what she needs
I got what she need so don't you try

That girl is mah chick, don't mess with her
She belongs to me, so let her be
I know what she wants and what she needs
I got what she need so don't you try

That girl is mah chick, don't mess with her
She belongs to me, so let her be
I know what she wants and what she needs
I got what she need so don't you try
