Dream  
When I feel blue in the night  
And When I want you to hold me tight  
Whenever I want you  
I have to dream  
Blue moon  
You saw me standing alone  
Dream  
When I feel blue in the night  
When I want you to hold me tight  
Whenever I want you  
I have to dream  
Blue moon  
You saw me standing alone  
Without a dream in my heart  
Without a love of my own  
Blue moon  
You knew just what I was there for  
You heard me saying a prayer for  
[ Deer Tick Dream/blue Moon/try A Little Tenderness  
lyrics found on ]  
Someone I really could care for  
O she may be weary  
'Cause you know young girls  
We do get weary  
Things we know we never gonna get  
But she's there waiting without them  
Please try a little tenderness  
Try a little tenderness  
Blue moon  
You saw me standing alone  
Without a dream in my heart  
Without a love of my own  
Blue moon  
You knew just what I was there for  
Heard me saying a prayer for  
Someone I really could care for  
Dream  
When I feel blue in the night  
When I want you to hold me tight  
Whenever I want you  
I have to dream
