I can't sleep, I can't close my eyes
Blinked one second, the whole world pass you by
Yeah, I guess I'm in
All the days you spent
I can't eat, I can't use my mouth
Miss one day and the whole world cast you out
Yeah I guess I try
All the times a lie
Of goodbye times, you ain't on my side
Satisfaction, too much of mine
Song goes here, never let me down
Oh the main street seems so lonely now
I can't hear, I can't use my ears
Miss one speech and you're uninformed to tears
Yeah I guess I'm scared
Every time I care

I can't breathe, I can't use my nose
Miss one man from the start I'm bag alone
Yeah I guess I'm wrong
I can't sing a song
Of goodbye times, you ain't on my side
Satisfaction, I go way too much of mine
Song goes here, never let me down
But the main street seems so lonely now
I can't write, I can't bleed my soul
Loose one friend and you whole might find its whole
Yeah I guess you're strong
But I won't let it show
Speak to me again,
And I have never have felt it, before.
