If you see  
my reflection  
In the goal  
that guides your road

We could be  
our invention  
Running from  
Letting go

But our eyes  
make bridges burn  
Those nights  
are all we've earned

Well I'm alone  
Here's my heart  
Now its your turn.

Well if you need  
an opinion  
Or some cash  
to make your rent

Well I could be  
your addiction  
Talk is cheap  
Well that's it

And our eyes  
make bridges burn  
Those nights  
are all we've earned

Well I'm alone  
Here's my heart  
Now its your turn.

If you see  
my reflection  
In the goal  
that guides your road

We could be  
our invention  
Running from  
Letting go

But our eyes  
make bridges burn  
Those nights  
are all we've earned

Well I'm alone  
Here's my heart  
Now its your turn.
