You know who the fuck it is

Bout it

Bout it

Motherfucker yeah we bout it

Yo, you know who the fuck it is, so introductions ain't necessary.

stick tight to our kind, middle fingers to our adversaries.

We on the grind 24/7 365, party like there's no tomorrow living like we born to die.

but we got a whole lot left in us, and we can't stop won't stop while there's breath in us.

No choice in the matter yo the game needs us, simple the fact of

the matter no one does it like does. Plus you know we do our thing cause you seen us put

it down in your country, in your city, your motherfuckin' town.

we keeps it world wide like live wire to empire, keep it DTD from MLB to NYC.

Friends and fam till the end yeah we bout it

Stage dives and high fives we bout it
