I don't think you understand

I don't think you understand, we back by popular demand.

I don't think you understand, we back by popular demand.

You know the kid, on some braggadocios shit, talkin' bout liquor and bitches, party
And bullshit. If your looking for something deep and politically correct, you can do yourself
A favour right now and press skip.

We got the
World in the palm of our hands and we love it.
Suck our dicks.
If you don't love it cause this shit ain't for you.

I don't think you understand, we back by popular demand.

Yeah

I don't think you understand, we back by popular demand.

Tryna get them big bucks and get my dick sucked,
tryna
find a line and lose
My mind I don't give two fucks. plus I got an army
behind me no frontin' they
Don't call me the president for nothing, all of a sudden.

We got the
World in the palm of our hands and we love it.
Suck our dicks.
If you don't love it cause this shit ain't for you.

I don't think you understand, we back by popular

demand.

Yeah

I don't think you understand, we back by popular demand.

We back by popular

We back by popular demand.

Yeah I'm feeling real fuckin' good right now
So we gonna do it like this
Let's bring out a little Tupac on it

Come with me, trust me you don't wanna fuck with
deez.
what do we have here now,
Do you wanna ride or die, nah nah nah nah nah nah
nah
nah.

Come with me, trust me you don't wanna fuck with
deez.
what do we have here now,
Do you wanna ride or die, nah nah nah nah nah nah
nah
nah.
