Lets talk about Bitches
I'm talking about 36, 24, 36 inches
Now fellas dont act all pollitcally correct
Please correct me if im wrong
But you do have a dick That means you like fuckin
A nice tight one to tuck in. if you're lucky bust a nut in
There aint a damn thing wrong with that
There aint a grown man who dont like to hit it from the
back

DUDES LOVE PUSSY. BITCHES LOVE DICK.
If you're fucking with them sluts
Start better fuckin with them rubbers
Before your ass gets sick
DUDES LOVE PUSSY. BITCHES LOVE DICK.
Sex sells, Someones gotta pay the bills
Go on, get your kicks

I must apologize to all the mothers and sisters

But its the truth, dudes like to fuck bitches

Most dude like a broad with class
But they'll still fuck a slut, just to get a piece of ass
Type of girls dont matter how old
Skirt so fucking short, their firstborn gonna catch a
cold
You think that shit will help you meet a man?
Yeah, he'll fuck you and leave, and never call again
Most guys arent looking arent looking for a soul mate
Some girls would poke their fucken eyes out for a blind
date

Your young have some fun, go live your life
Just remember you cant make a ho a housewife

YOU'RE YOUNG HAVE SOME FUN, GO LIVE YOUR LIFE
JUST REMEMBER YOU CANT MAKE A HO A HOUSEWIFE
