Say what you want about us, you can't doubt us.
Fought every inch of an up hill battle and now look.
Catch us in the clouds livin' the life we dreamed of
chillin' how the gods chill with a chill demeanour.

So kill the drama we done it, you can't debate it, we
made it.
I'm blowing kisses at bitches while we drink gin by the
cases.
Haters talk shit still till they get lock jaw, while we
shoot the shit with legends
of game so fuck y'all.

We seen 'em come, we seen 'em go and all we know,
we
don't give a fuck, yo we
are unfuckwithable. We don't just shine we illuminate
the whole show, yeah you
know we are unfuckwithable. If you feelin' like I'm
feelin' let me feel it when
I hear you yo let's go we are unfuckwithable.

Yeah

So kill the bitchin' and listen, you can't deny we on
fire.
If your rebuttal is muddled, it's cause my IQ is
higher.
Be lying if I said I gave a fuck regardless, for every
1 that hates 100 adore us.

We seen 'em come, we seen 'em go and all we know,
we
don't give a fuck, yo we
are unfuckwithable. We don't just shine we illuminate
the whole show, yeah you
know we are unfuckwithable. If you feelin' like I'm
feelin' let me feel it when
I hear you yo let's go we are unfuckwithable.

We are unfuckwithable

We are unfuckwithable

We are unfuckwithable

We are unfuckwithable

Unfuckwithable
