[Originally by Electric Light Orchestra]

Did you see your friend crying from his eyes today
Did you see him run through the streets and far away
Aah
Did you see him run, did you see him fall
Did his life flash by at the bedroom door

Did you hear the news it came across the air today
Someone has been found on the rocks down in the bay
Ahhh
Did you see him hide, did you see him crawl
Does his life mean more than it did before

Did you see that man running through the streets today
Did you catch his face, was it 10538
Ahhhh
