Are you excitable?

Stand up, say yeah, stand up Stand up Stand up, say yeah, stand up Never go down

Check it out

This obsession, it's gettin' invitin' A little x-rated, a little bit excitin'

Stand up, stand up, say yeah
Stand up, stand up
Stand up, say yeah,
Stand up, stand up, say yeah, say yeah
Stand up, c'mon, get in the groove

Y'know I get so excitable I really get so excitable I wanna get you excitable So c'mon let's go, baby, don't say no

This temptation, it gets outrageous It's such a sensation, a little bit contagious Hey, hey

This obsession, it's gettin' invitin' A little x-rated, a little bit excitin'

Stand up, stand up, say yeah
Stand up, stand up, oh
Stand up, stand up, say yeah, say yeah
Stand up, c'mon, get in the groove

Y'know I get so excitable I really get so excitable I wanna get you excitable So baby, let's go

Are you excitable?

Inch by inch, mile by mile What I do, I do in style You got your leather, lace, long and lean Ballistic lipstick, dream machine

You gotta do it do it C'mon and do it

Oh, y'know I get so excitable
I really get so excitable
I wanna get you excitable
So c'mon let's go
I really get so excitable
Y'know I get so excitable
I wanna get you excitable
So baby let's go
Y'know I get so excitable
I really get so excitable
I really get so excitable
I wanna get you excitable
Excitable, baby, let's go
You got me shiverin', shakin', and shiverin'
