Feelin' like it's all over  
Feelin' like there's no love  
Feelin' like it's not easy  
Breathin' life in the dust

On a countdown to zero  
Take a ride on the nightmare machine  
There ain't gonna be heroes  
There ain't gonna be anythin'

Here it comes here comes the night  
Here it comes hell in the night  
Here it comes here comes the night  
When we all fall down

When we walk into silence  
When we shadow the sun  
When we surrender to violence  
Then the damage is done

I don't want to be there  
I don't wanna be anywhere

Here it comes here comes the night  
Here it comes hell in the night  
Here it comes here comes the night  
That's right

We're fightin' for the gods of war  
But what the hell we fightin' for  
Yeah fightin' with the gods of war

But I'm a rebel, and I ain't gonna  
Fight no more no way!

On a countdown to zero  
Take a ride on the nightmare machine  
There ain't gonna be heroes  
There ain't gonna be anythin'

Here it comes here comes the night

Here it comes hell in the night  
Here it comes here comes the night  
Don't you know that's right!

We're fightin' for the gods of war  
But what the hell we fightin' for  
Yeah fightin' with the gods of war  
And I ain't gonna fight no more  
Stop fightin' for the gods of war  
Yeah what in the hell we fightin' for  
We're fightin' for the gods of war

Heavy!
