Yeah
Cool woman, cool eyes,
Got me hypnotized
So head down, get a rhythm
Stop your stalling and your bitching

Rock steady, we're still shaking
I'm ready for the taking
So make your move, you might be
Get ready for the big scene

Let it rock, yeah, let it roll
Let it, let it go
You gotta, let it rock, let it roll
Yeah just let it go

Slow down, hold on
You're too fast, you're too strong
Take it easy, take it slow
Make it last, don't let go

A warm body is one way
You're not leaving, c'mon stay
So get down on your knees
And let me know you're here to please

Let it rock, yeah, let it roll
Let it, let it go
You gotta, let it rock, let it roll
Yeah just let it go

Let it go, let it go
Whoah
Cool woman, cool eyes, got me hypnotized
Slow down, hold on
You're too fast, you're too strong
I need a woman, I want her to love
A wound up woman
And you do what I want, what I want

Oh yeah

Slow down, hold on
You're too fast, you're too strong
Take it slow, make it last
Take it easy, not too fast
And don't let go

No! Rock steady, we're still shaking
I'm ready for the taking
So make your move, you might be
And get a-ready for the big scene

Yeah
Let it rock, yeah, let it roll
Let it, let it go
You gotta, let it rock, let it roll
Yeah just let it go

Let it rock, yeah, let it roll
Let it, let it go
You gotta, let it rock, let it roll
Yeah just let it go

C'mon - let it roll, let it go
Oh yeah Oh!
