"Only After Dark"

Visit "[Only After Dark](#)" on MotoLyrics.com

I, I feel my spirit fly, only after dark
I, I kiss the world goodbye, only after dark
Nights with the city lights, only after dark
Run like the wonder way, only after dark

Won't you disappear into midnight with me
Why don't you come, why don't you come
Why won't you fly, fly, fly with me?
Sweet elusive fate will be our company

Ring out the vamp in me, only after dark
Moon sinful as can be, only after dark
It's wrong to feel so free, only after dark
Only you, you do it to me, only after dark

Won't you disappear into midnight with me
Why don't you come, why don't you come
Why won't you fly, fly, fly with me?
Sweet elusive fate will be our company
