Thunder, you're tempting me
A feast of spice in the night is what I need
Ooh I'm a-ready to roar
And I'm a-ready for more
Well I'm a-ready to burn like the light into the dawn

Oh I gotta see the fire in me turn into ecstasy
So stick around and settle down, enjoy the mystery
A voice in the wilderness, there's something in the air
A hidden love, forbidden pleasure, suffer secret pain

Thunder - are you ready, ready for thunder?
Feels like fire - are you ready, ready for thunder?
Ring of fire

Heartless, so indiscreet
And you're stealin' up from behind, a raging heat
I'm staring into the sun
I'm staring into a gun
I'm stirring up a storm, turn it on and let it burn

Oh I gotta see the fire in me turn into ecstasy
So stick around and settle down, enjoy the mystery
A voice in the wilderness, there's something in the air
A hidden love, forbidden pleasure, suffer secret pain

Thunder - are you ready, ready for thunder?
Feels like fire - are you ready, ready for thunder?
Ring of fire - are you ready, ready for thunder?
Oh, feels like fire - are you ready, ready for thunder?
Ring of fire

Thunder, you tempted me
You cut me up like a knife so tenderly
Oh I gotta see the fire in me burning up my ecstasy
A hidden love, forbidden pleasure, suffer secretly

Oh no! - are you ready, ready for thunder?
Feels like fire - are you ready, ready for thunder?
Ring of fire - are you ready, ready for thunder?
Feels like fire - are you ready, ready for thunder?
