Livin' by the law is a bloody necessary bore  
Everybody are you gettin' what you're looking for  
Livin' by the rules is somethin' that you gotta do  
But does it matter if we break a rule or two

Get up! Break out! Don't be the odd one out

Livin' on the edge I'm a tryin' to keep a level head  
Every mornin' it's a bummer gettin' out of bed  
Same old story does nothin' ever ever change  
Yeah they lock me up and then they let me out again

Get up! Break out! Don't be the odd one out  
C'mon, it's alright, we're hot tonight

You better run run riot  
You better run - run riot  
You know the time has come - run riot  
I mean everyone - run riot  
Oh, you gotta run riot babe

Goin' thru the motions desperation guaranteed  
Get f...f... Frustrated easily  
Pedal to the medal senses working overtime  
Oh fight to the finish babe draw the line

Get up! Break out! Don't be the odd one out  
C'mon, it's alright, we're hot tonight

Run - run riot  
You gotta run - run riot  
You know the time has come - run riot  
I mean everyone - run riot  
Stick to me

They lock me up, they let me out  
But I'm up and runnin' I scream and shout

Get up! Break out! Don't be the odd one out  
C'mon, it's alright, we're hot tonight

You better run - run riot  
You better run - run riot  
You know the time has come - run riot  
I mean everyone - run riot  
- run, run riot

Hey I'll take you from your misery  
C'mon stick with me
