Union Jack is back  
With a hole in his head  
He's gettin' badly  
Burned every time

He's laughin' at me  
And dancin' on my sneakers  
And his sixties songs  
Are blowin' up my speakers

I say you got no respect  
Respect for authority  
You're just playing your dirty tricks  
And then come cryin' to me

Hit and run, hit and run  
It's just a hit and run  
Another hit and run

The bulldog's lost his bite  
And his breath has gone bad  
And now the whole damn world  
Is really laughin' mad

I say you got no respect  
Respect for authority  
You're just playing your dirty tricks  
And then come cryin' to me

Hit and run, hit and run  
It's just a hit and run  
Another hit and run, hit it

Oh, bring it down  
Oh, you bring me down

I said you ain't got no respect  
Said you ain't got no respect  
No you ain't got no respect  
And you hit me when I'm down

Hit and run, hit and run

It's just another hit and run  
I said it's just another hit and run

Oh yeah, hit and run  
Hit and run, hit and run  
Hit and run, hit and run  
Hit and run, it's just another hit and run  
(Hit and run)  
Hit and run
