Hey
Hey
Hey

I'm back in your face
Like I've never been away
I'm back in your face
And it's where I'm gonna stay
Like a runaway Mack
Like a Union Jack
I'm back

Hey
Hey
I can stand tall
I can stick out a mile
I can come crawlin' like a hungry reptile
I'm comin' around
I'm wired for sound
Shakin' it for all it's worth
I'm a spaced out alien, a techno sapien
Crashin' on down to earth

I'm back in your face
Like, I've never been away
I'm back in your face
And it's where I'm gonna stay
Like a runaway Mack
Like a union Jack
I'm back

Hey
Hey
I can pour your drink
Be the perfect host
I can scare the pants off the holiest ghost
I'm comin' around
I'm wired for sound
Shakin' it for all it's worth
I'm a spaced out alien, a techno sapien

Crashin' on down to earth

I'm back in your face
Like, I've never been away
I'm back in your face
And it's where I'm gonna stay
Like a runaway Mack
Like a Union Jack
I'm back

Back in the middle, back in the ring
Backin' a winner, it's a sure shot thing
Back in your good books I did you no wrong
Here I am, honey
I'm back where I belong
Belong, belong, belong

(Hey)
(Hey)
I'm back
Well, I'm back
(Hey)
Yeah, I'm back
(Hey)
You better believe that
I'm back
(Hey)
Now lemme tell you
I'm back
(Hey)
Can't you see that
I'm back
(Hey)
Come on and do it
I'm back
(Hey)
There's nothing to it
I'm back

I'm back in your face
Like I've never been away
I'm back in your face
And it's where I'm gonna stay
Like a runaway Mack
Like a Union Jack
I'm back in your face

And don't it feel so good
I'm back in your face
Just like I knew that it would
Like a runaway Mack
Like a Union Jack

Sheer heart attack
And a jumpin' jack flash
Like a leader of the pack
And as a matter of fact
I'm back
