"C'mon C'mon"

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Everybody, everyone
C'mon, c'mon, c'mon, c'mon

Baby, baby won't you give me a good time?
Squeeze me, please me, make it feel like the last time
Hold me close and I'll make every dream come true
Just let the man in me meet the woman in you

Sometimes you win, sometimes you lose
Get back the spark, come light the fuse
Yeah, yeah, yeah, yeah
Everybody, everywhere

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Give a little, take a little
C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Give it all you gotta give

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Let me hear it everyone
C'mon, c'mon, c'mon, c'mon

Baby, baby take the ride of a lifetime
Thrill me, kill me, won't you send me a lifeline?
Ready, steady go wherever you want to
I bet the seven wonders ain't got nothin' on you

Sometimes you win, sometimes you lose
Get back the spark, come light the fuse
Yeah, yeah, yeah, yeah
Everybody, everywhere

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Give a little, take a little
C'mon, c'mon, c'mon, c'mon

C'mon, c'mon, c'mon, c'mon
Give it all you gotta give

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Let me hear it everyone
C'mon, c'mon, c'mon, c'mon

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon

Sometimes you win, sometimes you lose
Get back the spark, come light the fuse
Yeah, yeah, yeah, yeah
Everybody, everywhere

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Give a little, take a little
C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Give it all you gotta give

C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
Let me hear it everyone
C'mon, c'mon, c'mon, c'mon, oh
C'mon, c'mon, yeah, c'mon, c'mon
