Your kind of woman gotta heart of stone
But watch it break when I get you alone
Take a chance, come lay down with me
Oh, I wanna make it

Slow and steady never lost the race
Don't stop runnin', I'm a fool for the chase
Play the game, surrender to me
Baby, I don't wanna fake it

Is it any wonder
You got me comin' under fire?
Comin' like thunder
You know you make me walk the wire

It's so easy to put on a show
Your body says yes but you won't let it go
But my passion it won't slip away
Oh I'm not going crazy

Is it any wonder
You got me comin' under fire?
Comin' like thunder
You know, you make me walk the wire

Under fire
You got me comin', under fire
You got me comin', under fire
Oh yeah, I'm comin', under fire
You body says yes but baby, please let it go
Let it go, yeah, yeah

You got me, I'm comin' my back to the wall
No bed of roses, ain't no bed at all
I'm walkin' the wire, I stumble and fall
I got my message but I ain't gonna crawl

Is it any wonder?
You got me comin' under fire
Comin' like thunder
You know you make me walk the wire

Is it any wonder
You got me comin' under fire?
Comin' like thunder
You know you make me walk the wire

Under fire
You got me comin, under fire
You got me comin', under fire
Oh yeah, I'm comin', under fire
