I'm caught in a dream, sometimes it ain't what it seems
I'm all in a daze, can't fight my way out of this maze
I'm lookin' for clues and wantin' a change in the rules
I'm locked in a cage, actin' out on the wrong stage

(Don't want your sympathy)
No, no, no
(Don't need the third degree)
No, no, no
(Just gotta break away and scream)
I'm caught in a dream

I'm stood at the edge and I'm looking down
Caught in the danger zone
I feel like a King that has lost his crown
And now I stand here alone

(Don't want your sympathy)
No
(Don't need the third degree)
No
(Just gotta break away and scream)
I'm caught in a dream

Fractured love, fractured love
Iron fist in a velvet glove
Fractured love, fractured love
Cracks in the mirror of this fracture love

I don't care if you pull down the sky
Angry passion is a friend of mine
Reach out for the sky above
It's just a fractured love

Fractured love, fractured love
Iron fist in a velvet glove
Fractured love, fractured love
Cracks in the mirror of your fractured love

I'm caught in a dream
Why don't you set me free?

Don't want your sympathy
Don't want the third degree, just gotta break
Break away and scream
Caught in a dream
Why don't you set me free?

Fractured love
Fractured love
Iron fist in a velvet glove
Fractured love
Fractured love
Cracks in the mirror of your fractured love

Fractured love
(Fractured love)
Fractured love
(Fractured love)
Iron fist in a velvet glove
Fractured love
(Fractured love)
Fractured love
(Fractured love)
Don't give me your fractured love
