Feelin' like it's all over
Feelin' like there's no love
Feelin' like it's not easy
Breathin' life in the dust

On a countdown to zero
Take a ride on the nightmare machine
There ain't gonna be heroes
There ain't gonna be anything, oh

Here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night

When we all fall down
When we walk into silence
When we shadow the sun
When we surrender to violence, oh

Then the damage is done
Put away that gun
I don't wanna be there
I don't wanna be anywhere, oh

Here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night
That's right

We're fightin' for the Gods of war
But what the hell we fightin' for?
We're fightin' with the Gods of war but I'm a rebel
And I ain't gonna fight no more, no way

On a countdown to zero
Take a ride on the nightmare machine
There ain't gonna be heroes
There ain't gonna be anything, no

Here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night

Don't ya know that's right

We're fightin' for the Gods of war
But what the hell we fightin' for?
We're fightin' with the Gods of war
And I ain't gonna fight no more
(Stop)

Stop fightin' for the Gods of war
(Stop fightin' for the Gods of war)
Yeah what the hell we fightin' for?
(What in the hell we fightin' for?)
We're fightin' with the Gods of war
