Well good morning freedom
I've been woken to a brand new day
Good morning freedom
Now it seems that you have a different way
Starts today

So now I'm free
And now you're ready to take my chance again
So come with me
And I'll take you to the rainbow's end

Oh good morning freedom
I'd like to take you by the hand

And if you doubt me
Just listen to the fan
And you'll understand

So now I'm free
And now you're ready to take my chance again
So come with me
And I'll take you to the rainbow's end

So now I'm free
And now you're ready to take my chance again
So come with me
