Guilty as sin, yes I confess  
I can't deny  
Strong in the heart, weak in the flesh  
I never meant to do you wrong

I swear the soul gets blistered along the way  
But when you hurt the things you love  
You gotta know

If you mean hope, if you mean fear  
(Of those words that you've been longing to hear)  
If you mean faith, if you mean love  
(Then I'm guilty)  
(I'm guilty of all the above)

Can't hide the truth, I stand accused  
Don't ask me why?  
I question every move and thought I've had  
That's going on inside

I swear the soul gets blistered along the way  
But when you hurt the things you love  
You gotta know

If you mean hope, if you mean fear  
(All those words that you've been longing to hear)  
If you mean faith, if you mean love  
(Then I'm guilty)  
And if it's so wrong to feel this so right  
(I can't help it and I won't fight)  
If you mean faith, if you mean love  
(Then I'm guilty)  
(I'm guilty of all the above)

It's not my first offence and it won't be the last  
(And it's a sin)  
I would not change a thing except what's in the past

If you mean hope, if you mean fear  
(All those words that you've been longing to hear)  
If you mean faith, if you mean love  
(Then I'm guilty of lovin' you)

If you mean hope , if you mean fear, never said I was  
innocent  
(Guilty, heal me)  
(Wrap your arms around me)  
If you mean faith, if you mean love and it's you that I  
want  
(And I won't fight)  
And if it's so wrong, it feels so right  
(Guilty, guilty)  
Never said I was innocent  
If you mean faith, if you mean love  
(Then I'm guilty)
