Hey boys, miss magic is back
No hollywood waste or tinsel trash
A street kid, she's not stray cat
Heaven on legs, she's a feline flash

Takes a good woman to play a good man
And no one plays like heaven can
She said 'leave your name at the sound of the tone'
'Call you right back when I get home'
Better watch out when we're all alone

Heaven is a girl I know so well
She makes me feel good when I feel like hell
Heaven is a girl that I've got to have
And she makes me feel better when I'm feelin' bad

Hey guys miss magic is mine
No silicone smile, she's a vintage wine
Bombshell blonde, red lipstick on
Aqualine fine, she's a real wild one

She said 'leave your name at the sound of the tone'
'Call you right back when I get home'
Better watch out when we're all alone

Heaven is a girl I know so well
She makes me feel good when I feel like hell
Heaven is a girl that I've got to have
And she makes me feel better when I'm feelin' bad
Heaven is a girl that makes dreams come true
Oh, no one does it good like heaven do, no

She got the rhythm to drive me crazy
She got the rhythm of love

She said 'leave your name at the sound of the tone'
'The lights are out but there's somebody home'
Better watch out when we're all alone

Heaven is a girl I know so well
She makes me feel good when I feel like hell
Heaven is a girl that I've got to have

And she makes me feel better when I'm feelin' bad
Heaven is a girl that makes dreams come true
Oh, no one does it good like heaven do, yeah

Heaven is a girl that I've got to have
She makes me feel better when I'm feelin' bad
Heaven is a girl that makes dreams come true
And no one does it good like heaven do
That voodoo that you do
