Saturday, i feel right
I been drinking all day
Yes i got a date, a midnight ride
I had to get it away
Yeah, i'm not a loner, i'm not a fool
Don't need a reason, reason to be cool
I got my whiskey, i got my wine
I got my woman, and this time the lights are going out
(saturday night) high
(saturday night) high 'n' dry
(saturday night) i'm high
(saturday night) high 'n' dry
Ow, i feel bad, i feel mean
I'm up and down and in between
On the bottle, i'm on the line
I'm up and feeling fine
Oh take me high
Saturday, kickin' out, her train was comin' to me
I gotta move, number one
Saturday night on the run
(saturday night) high
(saturday night) high 'n' dry
(saturday night) got my whiskey
(saturday night) got my wine
(saturday night) got my woman
(saturday night) high 'n' dry
You gotta try me tonight
