How does it feel runnin' around round round  
How does it feel watchin' from upside down  
Cos many years from now there will be new sensations  
And new temptations  
How does it feel

How does it feel right at the start  
And how does it feel when you are thrown apart  
Cos many years from now there will be new elations  
And new frustrations  
How does it feel?  
Oh! Oh!

Do you know know know what it's like to be searchin' in  
your own time  
All your attempting experimenting all on the climb  
Do you know know know what it's like to be searchin'  
and suddenly find  
All your illusion, all your confusion all left behind

How does it feel turnin' away  
And how does it feel facing another day  
Cos many years from now there will be newer poisons  
And new horizons  
How does it feel?  
Oh! Oh! Oh!

Do you know know know what it's like to be searchin' in  
your own time  
All your attempting experimenting all on the climb  
Do you know know know what it's like to be searchin'  
and suddenly find  
All your illusion, all your confusion all left behind

Cos many years from now there will be new tomorrows  
And still some sorrows  
How does it feel?  
Oh! Oh! Oh!

Do you know know know what it's like to be searchin' in  
your own time  
All your attempting experimenting all on the climb Oh!  
Do you know know know what it's like to be searchin'  
and suddenly find  
All your illusion, all your confusion all left behind.
