(I wanna touch you)
Till we're stuck like glue
(I wanna touch you)
Yeah

I get high on you
I'm on a fire over you
And I can't let you go
I can't let you go

I got love on the rise
(And I burn like your fire)
Got my eye on the prize
(Got love in my sights)
And I can't let you go
I can't let you go

Give me no reasons
Give me no rhymes
Give me that feelin'
All of the time

(I wanna touch you)
Till we're stuck like glue
(I wanna touch you)
Yeah, baby, that is true
(I wanna touch you)
Nobody else will do, girl
(I wanna touch you)
'Cause a little too much
Could never be enough now, yeah

Come on
I get wired on you
(And I thrill to your touch)
Yeah, I-I excite over you
(Can't stop this landslide of love)
No, no, I can't let you go
I can't let you go, oh

Give me no reasons
Give me no rhymes

Give me that feelin'
All of the time

(I wanna touch you)
Till we're stuck like glue
(I wanna touch you)
Yeah, baby, that is true
(I wanna touch you)
Nobody else will do, no
(I wanna touch you)
'Cause a little too much
Could never be enough
Never be enough now

Yeah

Give me no reasons
Give me no rhymes
Give me that feelin'
All of the time

(I wanna touch you)
Nobody else will do
(I wanna touch you)
I wanna touch you, yeah
(I wanna touch you)
Till we're stuck like glue
(I wanna touch you)
Yeah, baby, that is true

(I wanna touch you)
Nobody else but you girl
(I wanna touch you)
Oh, till we get it right
(I wanna touch you)
Yeah, make it last all night
(I wanna touch you)
Baby you excite
(I wanna touch you)
Touch 'cause a little too much
Could never be enough, now
