I believe If you give A little bit of love To those you live with A little bit of love Oh oh oh Has gotta come your way.

Well in my mind It's easy To lose sight of the truth But in my heart I can't deny My feeling inside

'Cos I believe If you give A little bit of love To those you live with A little bit of love Oh oh oh Has gotta come your way.

Man in the sky You say you are flying To lose sight of the world You wanna stay high

Then don't deny Your feeling inside

'Cos I believe If you give A little bit of love To those you live with A little bit of love Oh oh oh Has gotta come your way.

Yeahh!

Whooo!

I believe If you give A little bit of love To those you live with A little bit of love Oh! Has gotta come your way.

I believe If you give A little bit of love To those you live with A little bit of love Whooooo Has gotta come your way
