Mirror mirror just watchin' with your eye of glass  
You're just a fortune wheel with something that i wanna  
ask  
Mirror mirror got my fate lyin' in your hands  
You're the fool, you're the juggler  
Hangman and lover, you're not like no other  
Take a look into my eyes  
Tell me what you see  
Take a look into my eyes  
Tell me is it true?  
Take a look into my eyes  
Oh when i look at you  
Take a look into my eyes  
Tell me is it me?  
Is it really me?  
Mirror mirror gotta know just what you see  
My crystal ball, you're lookin' so sly and so sleazy  
Mirror mirror hangin' there with that crack in your eye  
You make me stumble, make me blind  
Time after time and line by line  
Mirror mirror oh tell me  
You're the fool, you're the juggler  
I ain't met a lover, you're like no other  
Take a look into my eyes  
Tell me what you see  
Take a look into my eyes  
Tell me is it true?  
Take a look into my eyes  
Oh it just can't last  
Take a look into my eyes  
Gonna have to smash the glass  
Take a look into my eyes  
Take a look into my eyes  
Take a look  
Take a look into my eyes  
Oh yeah  
Take a look into my eyes  
Take a look into my eyes  
Take a look into my eyes  
Take a look into my eyes  
Take a look  
Take a look into my eyes

Look into my eyes  
Take a look into my eyes  
Tell me if it's me  
Baby, baby, baby, baby, baby, baby, baby, baby
