She's a gold-plated lover
Twenty-four carat cool
She can walk on water
Yeah she can walk in my room

She's a one man woman
And it's a one man race
She's got a kiss like fire
She burns the lips right off my face

It's finder's keepers, loser's gonna weep
She's personal property
Sealed and stamped, money in the bank
She's private, for my eyes only

She's personal property
Personal property
Personal service, personal touch
Exclusively mine, thank you so much

She's a heart stoppin', brain thuddin'
Blood pumpin', knee tremblin'
Spine crushin', tongue tyin'
Personal property
Yeah, and she belongs to me

She won't fall for nothin'
She's much more than cute
Don't mind you window shoppin', that's all right
But you ain't gonna taste
My forbidden fruit

Adios, au revoir, wiedersehen, goodbye
She's personal property
Off limits, out of bounds, under lock and key
Confidential, for my eyes only

She's personal property
Personal property
Personal service, personal touch
Exclusively mine, thank you so much

She's a heart stoppin', brain thuddin'
Blood pumpin', knee tremblin'
Spine crushin', tongue tyin'
And she's mine

Now I don't mind you guys checkin' her out
You can whistle like a wolf or you can mess around
But let me tell you the secret of the sweet life
If you wanna stay healthy, man take my advice
You better hit the road, Jack and don't come back

You could be king of the jungle
Or you could swing in the rain
But she don't need no monkey, not my babe
Cause I'm her Tarzan and she's my Jane

She's personal property
Personal property
Personal service, personal touch
Exclusively mine

Personal property, she's off limits
Personal property, out of bounds
Personal property, under lock and key
Personal property, yeah

She's a heart stoppin', brain thuddin'
Blood pumpin', knee tremblin'
Spine crushin', tongue tyin'
And she's mine
And she belongs to me
