Living by the law is a bloody necessary bore
Everybody, are you gettin' what you're lookin' for?
Livin' by the rule is somethin' that you gotta do
But does it matter if we
(Break a rule or two?)

Get up, break out
Don't be the odd one out

Livin' on the edge, I'm a trynna keep a level head
(Oh!)
Every morning it's a bummer gettin' out of bed
Same old story, doesn't nothin' ever ever change?
Yeah, they lock me up and then they let me out again

Get up, break out
Don't be the odd one out
C'mon, it's alright
We're hot tonight

You better run
(Run, run riot)
You gotta run
(Run, run riot)

You know the time has come
(Run, run riot)
I mean everyone
(Run, yeah, run riot)
Oh, gotta riot, babe

Goin' thru the motions, desperation guaranteed
Whoa, get f-f-frustrated easily
Pedal to the metal, senses workin' overtime
Oh, a fight to the finish, babe, draw the line

Get up, break out
Don't be the odd one out
C'mon, it's alright
We're hot tonight
Night night night

Run
(Run, run riot)
You gotta run
(Run, run riot)

You know the time has come
(Run, run riot)
I mean everyone
(Run, yeah, run riot)

Speak to me

They lock me up, they let me out
But I'm up and runnin'
I scream and shout

Get up, break out
Don't be the odd one out
C'mon, it's alright
We're hot tonight

You better run
(Run, run riot)
You gotta run
(Run, run riot)

You know the time has come
(Run, run riot)
C'mon, run with me
(Run, run riot)
(Run, run riot)
Hey, I'll take you from your misery

C'mon, stick with me
